

The background image shows a contemporary living and dining area. On the left, a large, dark green plant in a textured, greyish-blue pot stands next to a brown leather sofa with patterned cushions. The walls are covered in light-colored wood paneling and patterned wallpaper. In the center, a dining table with a white tablecloth is partially visible. On the right, a curved wooden bar with several high-top stools is set up. The ceiling features a grid of recessed lighting. A large, pink, cloud-shaped graphic is overlaid in the center, containing the text.
